WELCOME ADDRESS

I am delighted to welcome you to the start of a new season of Awakening Evangelism. This is the season to make Jesus famous. It is a command, and we must carry it out according to God's word in Mark 16:15-16.

We are grateful to God for His mercies throughout the years. We thank God for our incredible physical and spiritual growth over the years. The Salvation Daughters Foundation has grown tremendously over the years. Through our physical and virtual meetings across cities, we were able to reach out to over 7,000 children and 5,000 women and men. We have also welcomed new members and partners over the years. We also have a strengthened discipleship training course for both members and partners, which has significantly deepened their love relationship with God.

With God's guidance, we have been able to carry out successful village outreaches, including supporting missionaries serving in those villages. We provide free medical care, baby items for new mothers, Bibles, food items, clothing for both children and adults, sanitary pads for teenage girls, school materials for students, and spread the gospel of Christ in the villages.

We have also had success with school outreaches, such as assisting schools in rural areas. We bring the Bible to them, assist victims of sexual abuse, and provide school supplies, medical check-ups, scholarships, and entrepreneurship training. Furthermore, we have been able to establish "true love wait" clubs in a few of the schools to help us keep track of the students.

None of this would have been possible without the dedication of our members and partners. We appreciate your unwavering support in the forms of intercession, financial partnership, active service, and various donations. May the Lord richly bless you.

We are eternally grateful to our spiritual parents for holding our hands in prayer and providing us with wise counsel and spiritual protection. Thank you very much, Pastor Akin & Bukonla Egbedeyi, Pastor Ikechukwu Michael Onyegbu, Pastor Aregbesola, and Mrs Balogun.

Over the years, the message hasn't changed: awaken evangelism, make Jesus famous, and advance the kingdom agenda. We have been given the mission of bringing everyone into a loving relationship with God. SDF is a platform dedicated to raising godly women and young girls who will carry out God's purpose in various spheres of influence.

We are heaven-bound and want to bring as many people as possible with us. Therefore reaching out is one of our core values. I thank God for bringing us together and including you as the sent servant over this foundation in everything God is doing in this season. My deepest desire is to serve you and witness your divine calling come to fruition. I humbly request your full support and collaboration for the upcoming tasks so that we can cover a large area and spread the gospel throughout the nations. Remember that we are to make Jesus famous in everything we do.

May you have more encounters with God during this season and come to understand His will for your life. God bless you.

With love,

Dbeloved Debola Balogun

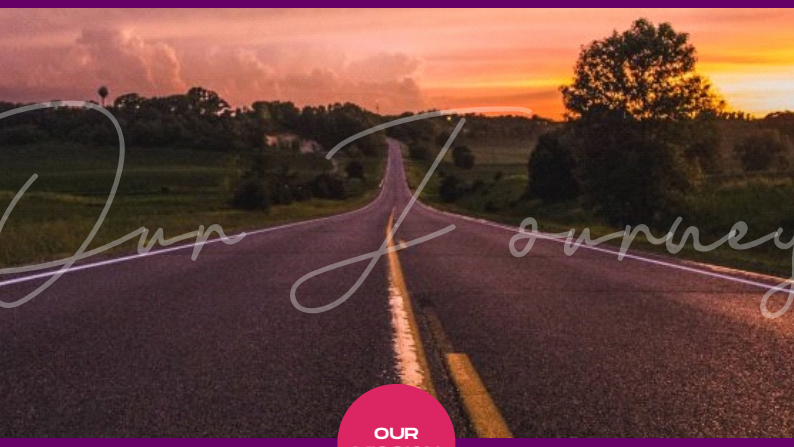

Founder, Salvation Daughters Foundation

HOW WE STARTED AS A MINISTRY

On the 15th of December 2012, at Ajayi Crowther University, the Salvation Daughters Foundation was born prophetically as a non-governmental organization called to raise godly women and young girls who will fulfill God's purpose on earth in their generation. The mandate that God gave to our founder, Dbeloved Debola Balogun, is to awaken evangelism, raise kingdom intercessors who will make Jesus famous, nurture children, and equip women. Prior to this, Dbeloved Debola was the director of the Salvation Girls Christian drama group in 2004. In 2010, she also co-founded Teenage Hub.

OUR APPROACH

We accomplish our vision and mission by implementing the following:

- We raise women in leadership to experience the Father through a discipleship course called "The Father's Daughter" to enable them to experience Christ in different areas of influence.
- We instil the fear of God in the lives of children and teenagers. This is accomplished through school outreach and teenage boot camp.
- We stimulate missionary interest in women through "Village Outreach" and the Awakening Evangelism movement in universities.
- We advance God's kingdom by raising visionary leaders and women on assignments in different areas of influence. This is accomplished through the Annual Awakening Evangelism Conference.
